All the Heads of Departments.

Sir,

Subject:—Clearance of imported goods.

No. S.P.C. 53068-196. I write to state that M/s. Best & Co., Ltd., Madras, have brought to notice of this office that there is delay in clearance of heavy lifts and packages infringing on standard moving dimensions. As a result, much of avoidable expenditure as transit dues is being paid by this Government. The Clearing Agents have suggested that on receipt of information from the shippers regarding the gross weights and dimensions of heavy lifts, etc.,—(Dimensions in the order of length, breadth and height)—the same may be passed on to them immediately by the concerned departments. The Regional Traffic Superintendent of Southern Railway, Royapuram, may also kindly be addressed for necessary wagon facilities for the consignment of heavy lifts, etc., well in advance of the arrival of the steamer carrying the said consignment and a copy of such letter may be sent to the Clearing Agents for pursuing the matter. It is hoped that particular attention will be paid in this behalf and that there would be no delay on the part of the departments to apply to the Regional Traffic Superintendent, Southern Railway, Royapuram, immediately on receipt of the information, *viz.*, gross weight and dimensions from the shippers.

The Trade Agent for Mysore in London has been addressed separately to instruct the shippers to cable the particulars to the concerned department on shipment.
